INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Ol-ki-ni House, being first duly sworn, thru her Interpreter,
Tom Roach, deposes and says:-

I am 28 years old; my parents were born after 1851; I think; I don't think my parents drew money in 1851; the parents of my parents were Emigrant Cherokees. My father's name was Gah-naw-he-la-gih or Hunting; the parents of Gah-naw-he-la-gih were Da-lah-ke-tee-yah and or Money Watcher and ~~Gaw-he-na-gih~~ Ain-cih; I made a mistake in my application. Gaw-he-na-gih was the sister of my father instead of my grandmother. My father had a sister who was probably living in 1851: Her name Oo-cha-luh-nuh-hih; my grandparents were living in Del. District in 1851; I do not know for certain whether my grandparents were living together in 1851 or not. To my best knowledge they were living together at that time;

My mother was Sal-lih or Sarah. Her parents were Bah-ye-skee and Goo-tah-ye. They were living in Del. district in 1851. They might have had one child living in 1851, Ji-nah-ye or Chin-nah-ye. That was the only child they had living in 1851: I was told by Chin-nah-ye that she was the only one who drew money in 1851; she said that she was living with her mother and father at that time. Goo-tah-ye just lived with Bah-ye-skee. He was not his main wife. His regular wife was a woman named Tah-he. Bah-ye-skee was sometimes known as Big Tah-ye-shee. He was a large man. Bah-ye-skee had a brother by the name of Ah-lu-le. The children of Ah-lu-le were Ma-he, Quate-se, Caty and Lydia, and Gah-we-che-you-le. (See 4581/2 Del. for the brother of Bah-ye-skee.)

(See 456 Del. for the Grandfather of Applicant on the mothers side)
Goo-tah-ye went from place to place and never lived with any one regularly. She was a "woods woman" (See Del. 444)

I am a Night Hawk. I have four children in all. Their names are Anna, 10 years old; Indian name, Chee-coo-wih; Milla, or Li-la-lih 8 years of age; Goo-tah-ne or Mary, 6 years of age. My youngest child is only 4 months old: I have a child by another man than my present husband. The child's name is Qual-lah and it was born on April June 17, 1906. I have no child named Anna and none named Lee. My husband Abraham House filed for the three oldest children. (See Del. 574 for the enrollment of paternal grandparents)

Mr. Guion Miller,

Sir:

Enclosed herewith is the affidavit and application for enrollment upon the Eastern Emigrant Roll of Susan Carey. I happened to be present when this old woman applied for her check, and remember that both you and Mr. Baker were of the opinion that she was entitled to a check, but having only one check for Caty Carey, and her real name being Susan Carey, though she applied probably under the name of Caty, by which she is sometimes known, you gave the one check to Caty Carey, who was this old woman's daughter.

I am convinced that she is entitled to enrollment, having personally investigated the case at that time and since then, and knowing her need of this money, I sincerely trust that if it is possible you will enter her upon the Roll and send her a check.

Yours truly,

I am a full-blood Cherokee Indian, and reside at
Melvin, where I have lived several years, coming
originally from the Canadian District; I made appli-
cation to be enrolled upon the Eastern Emigrant
Roll, but through some error my name was not entered
thereon. I am sometimes called Katie Carey, and Katie
Carey, my daughter, whose post-office is the same as
mine, was given a check at Tahlequah during the pay-
ment, by Mr. Guion Miller; my father's name was Bob
Harris, and he has been dead several years ; my
mother's name was Honnar, and she died during the
War; oldest son is Silas Carey, he is enrolled opposite
6736 on the Eastern Emigrant Roll; my next son is
Madison Carey, enrolled opposite No. 6714, and Katie
Carey, enrolled opposite No. 6697, is my daughter;
Daniel Carey, enrolled opposite No. 6702, is my son; I
was advised by Mr. Miller that during the payment at
Tahlequah that I was very likely entitled to enrollment
and request to write him these facts after he had re-
turned to Washington:

Wherefore, your petitioner prays that her
name may be entered upon the Roll, and that she be

Sir:-

Relative to your application #7038 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim Indian blood on your mother's side, as she was the daughter of Isaac D. Jackson, who had Indian blood, will say, the name of Isaac D. Jackson does not appear upon the roll of 1835 or 1851. Will you please give us the names of your full-blood Indian ancestors stating where they were born, where they resided in 1835 and 1851, and, if living in the East prior to 1835, when did they emigrate to the West, and where was their first place of residence in the West? Please trace carefully from your full-blood Indian ancestors down to yourself. You state that your father and mother were born in Kentucky, and that your grandmother on your mother's side was born in Tennessee. Where did your grandfather, Isaac D. Jackson, reside in 1851, and, if he was living, where did he reside in 1835? In order to aid us in tracing your Indian ancestor, you will have to furnish this office with full information regarding all your ancestors between yourself and your full-blood Indian ancestor.

Margaret J. Allen, after being first duly sworn,
deposes and says:

I am 74 years of age; was born in Kentucky. I claim Cherokee Indian blood through my father, William Logan. I think he was born in Kentucky. I have seen my grandparents on the Logan side. They lived in Kentucky. Zachariah Logan, my grandfather, was the Indian. He was living in Illinois when I first knew him. I was about five or six years of age then. I do not know where he was born. I have never received any Indian money from the government. My father never received any Indian money from the government. I came West of the Mississippi about 1867. I never tried to get an allotment from the Dawes Commission and never tried before this to get any Indian money. My father and grandfather first told me of my Indian blood. My father told me I was Indian. In 1850 I was living in Illinois. Martha Williamson, 7387, is my sister. She is here with me now.

Chester Howo, Esq.,

Washington, D.C.

Sir:-

You have on file in this office some twenty-seven applications for parties who claim to share in the Eastern, or Emigrant, Cherokee Judgment Fund. The said claimants base their rights through their ancestor, Zachariah Logan. According to an affidavit filed in this office by one John A. Allen, who claims to be a great grandson of Zachariah Logan, said Zachariah Logan was a Cherokee Indian and lived in Allen County, Kentucky in the year 1835, and moved to Illinois in the year 1838 with his son, William Logan. William Logan, the son of Zachariah Logan, was evidently of age in 1838, as he has a daughter who has filed an application in this office, (her number being 7744) in which she states she was born in 1834. This would necessarily bring the date of birth of her father, William Logan, somewhere in the neighborhood of 1814, and her grandfather, Zachariah Logan, must necessarily have been born prior to 1800.

According to these applications and affidavit of John A. Allen, the great grandson of Zachariah Logan, above referred to, it is evident that Zachariah Logan and William Logan were not parties to the treaty of 1835. Their names do not appear upon the roll of 1835, nor upon the roll of 1851, and none of the names

C.H., Esq.

-2-

of the applicants who were born prior to 1851 and who have filed in this office appear upon the roll of 1851. Further, as Allen County, Kentucky has not been a part of the Cherokee Nation since the year 1775, it shows that the said Zachariah Logan and his son, William Logan, were not living in the Cherokee Nation, or with the Cherokee Indians, in 1835 and 1838.

Therefore, this office sees no reason why these claims should not be rejected, unless you can show that the said Zachariah Logan and his son, William Logan, and their descendants were recognized as belonging to the Cherokee Nation by the Indians of the said Cherokee tribe at the date of the treaties of 1835-6 and 1846.

Respectfully,

Special Commissioner.

App. #7040.

January 2, 1890.

John A. Allen,

West Mineral, Kans.

Sir:-

Relative to your application #7040 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim Indian blood through your great grandfather, Zachariah Logan, will say that the name of Logan does not appear upon the roll of 1835 or 1851. Where did the said Zachariah Logan, your great grandfather, reside in 1835 and 1851, if living at that time? As you state your grandfather, William Logan, who was the son of Zachariah Logan, was residing in Illinois in 1851, can you furnish me with information as to when he settled in Illinois; where was he born; and was his father, Zachariah Logan, a full-blood Indian? If the said Zachariah Logan was not a full-blood Cherokee Indian, please state who was your full-blood Indian ancestor, giving the names of his parents, and tracing carefully from the Indian ancestor down to yourself. Please furnish this office with any and all information regarding your Indian blood, and oblige,

Respectfully,

LBD/AIL

Special Commissioner.

Calley H. Avants,

Madam:

Replying to your letter of August 11, 1908, inclosing a blank agreement with J. E. Arnold, you are advised that this office does not consider it necessary for any claimant to employ an attorney to present his case, unless his claim is very complicated.

In any event the terms of the agreement inclosed appear to be entirely unreasonable and entirely out of proportion to any possible service that the attorney could render.

Very respectfully,

Special Commissioner.

Elizabeth Humbard being first duly sworn deposes and says:

I was born 1877. I claim my Indian descent through my father and he claims his Indian blood through his father Beniah Williams. My father was born somewhere in East Tennessee, but I don't know the town. He has been dead twelve years and was about 84 years old when he died. He left Tennessee when he was about 33 years of age and came to Clay County, Mo., and lived there up to the time he died. My mother was a white woman, as is also my husband, a white man. I don't know when Beniah Williams died, exactly, but it was before my father came to Mo. My father never lived with the Indians as a member of the tribe as I know of. I don't know whether ~~lived~~ with Beniah ~~ever~~ lived with the Indians or not, but I think he did. My father was recognized as a white man in the community where he lived, and I am recognized as a white woman. My father applied to the Laws Commission for enrollment with the five civilized tribes about 15 years ago, and also several of his sisters, and one of his brothers. None of them ever received anything. Neither my father nor his father. None of them ever received any land or money from the Government for, by reason of their Indian blood. My father has three sisters living in Davis County, Mo., Tobitha Sears, who has been married again and I do not know her present name, Martha Hogan, and Ruth Burns. Then he has another sister living somewhere in Iowa, by the name of Nancy McGinnis. I don't think any of them have made application. I have the brothers and one sister living, but I don't think any of them have made application. I don't know my brothers have not.

REPORT ON PERSONS CLAIMING THROUGH JAMES STARR
VIA THE HUNTER FAMILY.

There are a number of applications on file claiming to participate in the Eastern Cherokee Fund, in which the applicants base their right on their relationship to James Starr who, they say, was on the roll of 1835. There is a James Starr on the roll of 1835, but there is nothing definite shown in the applications or the testimony tending to show that the James Starr who was enrolled in 1835 is the same party to whom these applicants claim to be related. The fact that there is a James Starr on the roll of 1835 is the only thing which gives color to these claims. No other ancestor appears ever to have been enrolled, nor do any of the applicants claim that any other ancestor was enrolled. They claim through Patsy Hunter, who they say, was a daughter of Sallie Brumley, who they say, was a daughter of James Starr. The name "Brumley" does not appear either on the roll of 1835 or 1851. Patsy Hunter was never enrolled nor was Willis L. Hunter ever enrolled.

Quite a number of applications have been filed by persons who conclusively appear to be descendants of the James Starr who was on the roll of 1835. Those persons are themselves on the roll of 1851 and that their claims should be admitted, there can be no question. Letters have been written to several of these persons, asking if they are in any way related to the members of the group or family who claim back to James Starr via the Hunter family. In every instance in which a reply has been received, they have said that they did not know and had never heard of the members of the Hunter family and were not, so far as they know, related to them in any way.

From these facts and from the fact that no ancestor was ever enrolled in 1851 or by Hester, and that the present applicants have not been enrolled by the Dawes Commission, it would seem that the James Starr through whom these people claim, is not the same party who is on the roll of 1835. There is nothing in the testimony to show that the person through whom these applicants claim is the same James Starr who is on the roll of 1835. On the contrary, Willis L. Hunter, whose testimony was taken at Tishomingo, Okla., states in his testimony that the way he found out "that James Starr was on the roll was at Tahlequah; some of the Indians there told me he was on the roll".

For the reasons above set forth, the cases in this group are rejected. (See Miscel. Testimony Page 2452.)

No. 7180-7051

Willis L. Hunter, being duly sworn, deposes and says:

My name is Willis L. Hunter; my post-office is Reagan, Okla.; I was born in Harden Co., Tenn. in 1838; I claim relationship to the Cherokee Indians through my mother, whose maiden name was Patsy Brumley, who was a quarter; she was born in Tennessee also; my mother claimed through her mother, whose maiden name was Sallie Starr, she was the daughter of James Starr; my mother and father died when I was quite small and I was raised by my grand-parents and they told me about my grand-mother being the daughter of James Starr; her husband was a white man; my grand-father told me that the Starrs left Tennessee for the Cherokee Nation; I made application before the Dawes Commission, but was denied on the grounds that I was too late in making application; the way I found out that James Starr was on the roll was at Tahlequah; some of the Indians there told me he was on the roll; the report of the Special Master of the U. S. Court at Muskogee decided that I was a lineal descendant of James Starr and that James Starr was a Cherokee Indian blood and a recognized member east of the Mississippi. My grand-mother often told me that she was a daughter of James Starr who was a Cherokee Indian.

Mr Chester Howe Atty Eastern Cherokee Claims
Washington D.C.

I am mailing to you an abstract of claims
acted on and decided by the 4th Board of Claims
and accepted as Cherokees by blood on the Rolls
of 1835 as Eastern Cherokees was furnished to me
by Et Chief John Ross, from his Fathers Roll of 1835.

I also send you 8 true Copies of affidavits
of recognized Cherokee Indians in our case, the
James Blackburn, Rhoda Blackburn, nee, Baugh
and (Polly Carter, their Daughter who is on Roll of
1835, you will find on the Roll Richard and Martha
Blackburn who we suppose were James and
Rhoda Blackburns Grand son and Daughter,
the true Copies of affidavits under Seal of Office
was Filed with the Dawes Court Sept 16th 1896
with the case, as it was rejected the case was appe
aled to the U.S. Court of the ^{Western} District of I.T. Muskogee
Judge Springer, J.D. Boatright being authorized
by the Cherokee Indian Citizenship association & Atty.
he laid the case before the Masters, they passed
on the case and Briefed it, the ^{Judge} would not sign
it saying we were now Residents, Ignoring the decision
of the Supreme Court of the U.S. that said they were Cherokee
Indians let them reside where they may so in the bounds
of the U.S. and had indefeasible rights to land & money
of the Cherokee Nation Indians Territory

as Boatright had appointed me as his legal authorized Agent, he wrote me he would appeal our Case to the Court of Claims, he had about 1200 other Claims he said he was not able to appeal all, would make a test Case of ours and asked my Consent, I told him go ahead, it was some two years, he wrote me the Court had given a decision in our favor and had ordered the Case Filed with the Secretary of the Interior, he then wrote me as he was getting old and afflicted he thought it best to turn over his Claims to some other Atty & he spoke of W. M. Edmiston then of Vinitia^{Id.} and did so, and recommend me to him as his authorized Agent, and he died not long after, as he had said the Courts was behind two year or more he did not expect to live to see it to an end, when the Decision of Supreme was given in favor of the Eastern and Western Cherokees 1905 and approved by Congress and appropriation made 1906, Edmiston wrote me sent me Power of Atty for him and you with Contract, doing away with all former Contracts as I had got about 125 Claims for Boatright - The ^{letters} Commenced coming to me to take their Claims at the 50% as they had agreed to give Boatright - I wrote Edmiston of this proposal to take their Claims, he wrote me the 50% was so much the Government would kick he thought best for me and all to go ahead and get all the Claims

3

I Could for him and you and you and him would allow me 10 percent of yours and his 25 percent, which I agreed to, is that right with you, that is for all that is allowed on my App. I got in 190 App.

it does seem to me as this Blackburn Bangh and Polly Carter Case has been passed on by The Masters, and Court of Claims, and as it was ordered Filed with the Secretary of Interior, it probably was the Case Carried The Case To The Supreme Court of The U.S. That there should be any Controversy about it.

I have a Brief of our Case giving each family Claimant giving their relationship to James Blackburn Rhoads Blackburn nee, Bangh, ^{or Polly Carter,} which might be of benefit to you.

I have been some few letters from Com. Simon Miller asking questions Two of his one to Melus Fuller of Liberty Clay County Missouri saying you claim to your Grandfather Richard C Fuller of N.C. who was Enrolled in 1835 - I do not find his name on Roll) I know his name is on Roll of 1835 - I send you you can see for your self.

REPORT ON BOATRIGHT CASES.

No. 7053.

There are a large number of applicants who claim the right to share in the distribution of this fund through one James Blackburn, who originally resided in the state of Virginia, and through his two daughters, Elizabeth Boatright and Rhoda Patterson. It is claimed that James Blackburn was one-half or more Cherokee Indian by blood. It is alleged that James Blackburn came from Virginia to Kentucky about the year eighteen hundred and that he brought his family with him. After living in Kentucky a few years he died. He was not enrolled in 1835 and probably was not alive as late as that, and of course was not enrolled in 1851, nor do any of his descendants appear to have been enrolled either in 1835 or 1851. Neither he nor his children were living within the Cherokee domain in 1835 or 1851. In fact, it does not appear that he ever lived within the Cherokee domain. On the contrary, his children and their children always lived with the white people and never had anything whatever to do with the Eastern Cherokee tribe of which they were probably never members. These persons seem to have no shadow of a claim as none of their ancestors were ever enrolled, or were parties to the treaties of 1835-6 or 1846. It does not appear that any ancestor ever lived within the Cherokee domain, and these applicants show no connection whatsoever with the Eastern Cherokees. Some members of this family applied for enrollment by the Dawes Commission and were rejected. For the reasons above stated the applications of these parties are rejected.

See Misc. testimony, page 3008, and also letter in application No. 7058.

Misc.

W. S. Davis being first duly sworn deposes and says:

I am 47 years of age. My wife ~~is~~ has filed application number 8184. Her name is S. V. Davis. She claims her Indian descent through her father, Jasper Boatright. I am a full blooded white man myself. I think Jasper Boatright claimed through his father James Boatright. Jasper was born in Madison County, Kentucky but I don't know just when but he enlisted and was in the civil war and was a young man then. He came from Kentucky to Kansas just a short time before the war. James was born in either in Kentucky or West Virginia, it was right near the line. I don't know when he was born but he died about 10 or 12 years after the war and was a very old man then. James claimed his Indian blood through his mother Elizabeth Boatright who was a Blackburn before marriage. She was said to be descended from the Cherokee tribe but I don't know how much Indian blood she claimed. I don't know when or where she was born. She died since I can recollect. Neither Jasper or James never lived with the Indians as a member of the tribe. None of My wife's people were ever on any rolls except a sister of Elizabeth Boatright by the name of Polly Carter is said to be on the roll of 1835. Don't know where Polly Carter came from or what became of her, all I know is she was a sister of Elizabeth Boatright. I got my information from Jesse Roberts of Elmira, Missouri, who is a second cousin, I think of my wife. My wife and he claims through the same source. He has filed an application to share in this fund. My wife made application to the Daws Commission ~~and~~ through her attorney by the name of Wise and a hearing was had on her application. She never received any allotment by reason of her application. My wife is recognized in the community where she lives by people generally as a white woman.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. FEB 17 1908
No.

Garland, Kans
2/10/08.
Comm. Ind. Aff. Affairs Washington
D.C.

Sir, I am a claimant in participation
of fund arising from the judgment of the
Court of Claims in favor of the Eastern
Cherokees. My Application is No. 705-8.
I will say that I recd from your office a letter
about the 12th of January asking for
information relative to my claim, and
I enclosed said letter to our atty in the
case. Mr M Edmiston, Miami (Okla), and
whether he attended to it or not I cant say.
So I write you direct so that I may know
that you get things straight.
I claim my Indian descent from one
James Blackburn formerly of Virginia
who was the father of both of my grand
mothers (they being sisters) My Paternal grand
mother was Elizabeth Boatright ^{my Blackburn} and my
maternal grand mother was Rhoda
Patterson (nee Blackburn) and we have
evidence, which should now be in your
hands, in the form of affidavits, that
beyond a doubt that said James
Blackburn was 1/2 or more Cherokee
Indian blood. This is my line of descent
which I think my application will show.

Now as to why any of these parties were
not Enrolled either in 1835 or 1851, will
say that said James Blackburn of Virginia
Came with his family to Kentucky in the
last years of 1760. Some thing like 40 years
before the rolls of 1835, And he died early
in the yrs. of 1860, therefore being dead near
1/2 Century before the rolls of 1851.

His children, no doubt, knowing of
their mixed blood and being far removed
from their kindred in Virginia, and
associating only with members of the white
race, preferred to keep to themselves
the fact of their mixture with Indian
blood, fearing it would prejudice the
whites against them and their descendants.
Our family are like thousands of others,
though of Indian and African ancestry, moved
away from the South and have lost their
identity among the pure whites throughout
the other States. Now if this evidence that
proves the fact of James Blackburn being
of Indian blood is not in your hands or
in your office, you can find where it is
by addressing Mr M Edmiston, ^{Atty} Miami, Okla.

Yours Truly

John W Boatright

Sir:-

Relative to your application #7058 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through Benjamin D. Boatright, your father, who was the son of Benjamin Boatright and Elizabeth Boatright, nee Blackburn, and that said Elizabeth Boatright was your Indian ancestor. You further state that Elizabeth Blackburn was a sister of Polly Carter, and that Polly Carter was on the roll of 1835. The name of Polly Carter or that of Elizabeth Blackourn or Rhoda Blackburn does not appear upon the roll of 1835. Do you know who was your full-blood Indian ancestor—that is, was your grandmother, Elizabeth Blackburn, a full-blood Cherokee Indian, or what was the degree of blood relationship between herself and the Cherokee Indians? Why were you not enrolled in 1851, as you state you were born in 1843? Why was your father, Benjamin D. Boatright, not enrolled, and why was your grandmother, Elizabeth Boatright, nee Blackburn, not enrolled? Please trace carefully from your full-blood Indian ancestor down to yourself, stating why in each case said ancestor was not enrolled on the Eastern Cherokee roll of 1835 or 1851.

Respectfully,

Where was this Indian ancestor residing in 1825, and in 1835? Who were her parents, and did she and her parents go West prior to 1835, and where did they settle in the Western country? Please give all the information you can regarding your full-blood Indian ancestor. Why were none of your ancestors, if they had Cherokee Indian blood in them, ever enrolled? Do you know of any reason? Any other information you may be able to furnish this office will be appreciated.

No. 7067

Oct 18-19.

To the Court of Claims:-

On the 22 day of Sept.
1888 I was re-admitted to
Citizenship in the Cherokee
Nation by the Adair Citizen-
ship Court and you will
find sworn copy of same
in Atty Wm W. Wright's
office in the Washington
Loan and Trust Building
The original is in the ^{District} Clerk's
office at Muskogee Oklahoma
or in possession of the Law-
yer in charge.

I got a Brief of all Court proceedings from the Lawer Commission in Nov. or Dec. 1906. ^{and} registered same to ^{Atty} Chester Howe now deceased I sent the registered receipt to Wm W. Wright to aid him in collecting our evidence. But don't know whether he has those papers or not. I sent him other papers recently, which I believe have him present to the Court.

In the latter part of last August about the 26th

Sarah F. Keith, James E.
Jackson ^{and} myself send
affidavits showing that
our ancestors Andrew Cald-
well ^{and} Cerena Caldwell
(nee Swier) were living
in 1835 ^{and} came west
with the Cherokee Indians.

I have sent a great deal
of evidence ^{and} positive
evidence ^{no} first ^{and} last
but haven't had much
satisfaction as to whether
it has been presented to
the Court of Claims or not.

Some of the papers might
 be found recorded in the
 office of Atty. Roberson
 Washington Loan & Trust
 Bldg. Washington D.C. who
 at one time claimed to be
 a partner with Atty. Chester
 Howe. Please see as far as
 possible that all my eviden-
 ce is presented to the Court,

Madam:-

Relative to your application #7069 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your great grandfather, Martin B. Williams, whom you say was a Cherokee Indian. Was he a full-blood Cherokee Indian, or was he part White and part Indian, or part Negro and part Indian? Where did the said Martin B. Williams reside in 1855 if living, at that time? When did your Indian ancestors migrate to the Western country, and where did they settle upon their arrival in the West? Please give all the information you can regarding your full-blood Indian ancestors, stating where they resided in 1855 and 1851.

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Claim was on file and
would be considered
in a short order as I hope not
to weary your patience I
am confident you are getting
letters similar to this
every day but it will be a

note if Claim #7070 has gone

Hope to hear from you

Be true

App. #7070.

July 22, 1907.

Nancy Barrett Baltimore,

Princeton,

Texas.

Madam:-

Replying to your letter of recent date you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

A supplemental application blank is inclosed and if you have any minor children you should fill out the application and return to this office.

Very respectfully,

WLC:

Special Commissioner.

My father married my mother in North Carolina. My father could speak the Indian language. I have never tried for any Indian money. I tried for an allotment before the Dawes Commission but have never gotten anything. I went to a lawyer Watts at Wagoner, I.T. about fifteen years ago. He was supposed to be a government man. I paid him \$75.00. I never got any value received for that money. I do not know where Watts is now but heard that he was arrested about a year ago on account of fraud. I heard that he was at Tahle uah then. I have heard that the government sent him to the penitentiary. I do not remember ever hearing of a man named Foote. Ten years before the war I lived in Mississippi. I was a soldier in the war. My father was dead then.

I am about 51 years of age. I claim my Indian blood through my mother. My father is a white man. My mother derived her Indian blood from her father. My mother is 71 years of age, and still living at Berea, Ky. She was born and raised in Madison Co., Ky., and her father was also born and raised there. My mother's father was born about 1815 or 1816. I don't know whether my mother's father ever lived with the Indians as a member of a tribe, my mother never did. My mother nor her father were never on any Indian roll that I know of. Neither my mother nor her father ever received any land or money from the Government by reason of their Indian blood. This is the only application I ever made for any Indian benefits. I don't know whether my mother made application to the Dawes Commission or not. My wife is a white woman. My great grandfather's name was James Boggs. He moved to Ky. with the first settlers. He was not a party to the Treaty 1835, he was living in Ky. in 1835, but he had a brother named John Boggs, who was a party to that Treaty, and one of the Commissioners that went to Washington City. We all suppose that John came West with the Indians, when they made their big immigration west. James and John Boggs were said to be half-blood Cherokees. At the present time I am recognized as a white man in the community here I live, and my mother is recognized as a white woman.

Was said James Boggs a full-blood Cherokee Indian, or what blood relationship did he bear to the Cherokee Indians? Sir:-

Relative to your application #7312 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through Mary A. Rowell, nee Fountain, whom you state was the daughter of Olan Fountain, called Fountain. Where did your Indian ancestors by the name of Fountain reside in 1835 and 1861? As you were born in 1848, why were you not enrolled in 1861? Were your Indian ancestors full-blood Cherokees or to what tribe of Indians did they belong? Were any of your ancestors ever held as slaves by the Cherokee Indians? Was your father a white man or Negro? Please give all the information you can concerning your Indian ancestors. When did any said Indian ancestors leave Alabama, or wherever they were living, and emigrate to the West, and where did they settle in the West?

Your reply will be appreciated.

Sir:

Received a letter from you some time ago about a claim that I was interested in through the Cherokee Indians. This claim is through my Grand mother on my father's side. You say you can not find the name of Phillips on the rolls of either 35 or 36 that time her name was Davis as she was then married. She then lived in Lee Schuyler Co. Moved from Waynesville Kentucky some time in the thirties. I 35 she lived in Lee Co. in fifty one she was dead. They moved from Alabama to Ky in the latter end of the 17th century from where information I can get. Why not enrolled? Because not among them. Do you know that you were Indian. Only by my ancestors what they told me and they did not tell me much because I did not ask any questions about the matter. I was a dissonor where Indian Blood where I was and I did not inquire in to the particulars of our. We were all ways called back Breeds. Behind our backs all though in good circumstances. So to finish would say truthfully that there is a very little evidence for me to give you.

Old generation has passed away and not one to
tell me anything in regard to the past. My father
could have told me the beginning and the end I was not
interested at that time to want to know. Now Sir I
^{would} wish you see if there were any name on the roll

I am 69 years of age; was born in Rushville, Ill. I claim Cherokee Indian blood through my father. I never got any Indian money from the government and neither did my father. My father was born in Kentucky. He died in Kansas. I came West in 1869. My father came then also. I never tried to get an allotment in the Territory. I first heard of my Indian blood when I was a boy. My father always claimed Indian blood but where we lived it was no honor to us. In 1837 my father lived in Illinois. He spent his boyhood in Kentucky and came from there to Illinois. My mother told me I was part Cherokee Indian. In 1850 I lived in Illinois. I claim no Indian blood ~~from~~ through my mother.

James R. Morgan being first duly sworn deposes and says:

I was born in 1842. I claim my Indian blood through my father. My mother and my wife are both white women. My father died about 1886 and he was about 80 or 81 when he died. My father was born in the State of North Carolina, some where near Salisbury. I have heard him talk a good deal about going to that place. My father came to Fayette Co., Mo., in 1830, his parents had died before he came away. My father never lived with the Indians as a member of the tribe in the West as I know of. My father claimed that his father was about three-quarters Cherokee. My father was never on any Indian roll that I know of. I am recognized in the community where I live as a white man, and my father was in his days. I made application about 15 years ago to the Laws Commission, but was rejected, but I don't know on what grounds. James H. Reynolds, a nephew of mine (73 1/2) died last spring. The names read off that were grouped with my application all base their claim through the same source that I do.

Laura Childress,

Madam:-

Relative to your application #7090 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your grandfather, William Boyd, who was a great grandson of John Rogers, will ask, where did the said John Rogers reside in 1835, and 1851? Was he a full-blood Cherokee Indian? Did he emigrate from the East to the West? If so, where did he locate in the West, and at what date? Who was his wife, and do you know the names of his parents? Why are none of your people upon the roll of Eastern Cherokee Indians of 1851? Are your people known as "Old Settlers"? Where did your grandparents, William D. Boyd and Elizabeth Boyd, reside in 1851? Do you know when and where they were born? Please furnish us with all the information you can regarding your Indian ancestors.

Respectfully,

Special Commissioner.

deposes and says:

I am 55 years of age; was born in Arkansas close to the Cherokee line. I claim Cherokee Indian blood through my mother's mother. I have never gotten any Indian money nor any land. We put in a claim but it was thrown aside. My mother never got any Indian money that I know of. She has been dead about 25 years. I lived in Arkansas in 1852. I have seen my mother's mother who was the Indian. She lived with us. She was born in McMurray County, Tenn. Chief John Rogers was my great-grandfather. My grandmother lived with the Indian. I do not remember if she spoke the Indian language. I was about 16 when she died. The Indians would visit my grandmother. I do not know if she had anything to do with the treaty of 1825.

App. #7091.

January 7, 1908.

Samuel Carroll,

Liberty, Mo.

Sir:-

Relative to your application #7081 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your grandfather, James Carroll, was proven to be a Cherokee Indian by blood, will ask, what degree of blood relationship did he bear to a full-blood Cherokee Indian? Where did he reside in 1835? If in the West, when did he move to the West, and from what place? Why was he not enrolled in 1835? Why was your father, Sterling D. Carroll, not enrolled in 1835, and, as you were born in 1851, why were you not enrolled in 1851? Who was your full-blood Indian ancestor? Please trace carefully from said full-blood Indian ancestor down to yourself, giving all information you can regarding your Indian ancestors, and stating why they were not enrolled as Eastern Cherokee Indians.

Your prompt reply will be appreciated.

Respectfully,

LBD/AIL

Special Commissioner.

Maranda Perkins being first duly sworn deposes and says:

I am nearly 68 years of age. I claim my Indian blood through my father. My mother was a white woman. I think my father claimed his Indian blood through both his parents. I don't know how much Indian blood my father claimed, but he was descended from the Eastern Cherokees. My father died in 1861, and at the time he died, he was somewhere in the sixties. My father was born and raised somewhere near Nashville, Tenn., and he came to No. 1 when he was somewhere near 25 years of age. My father's parents died back in Tenn., before he came to No. 1. I never heard my father say whether he lived with the Indians as one of the tribe or not. I am recognized in the community where I live now, as a white woman. My father was recognized as a white man in the community where he lived. I made application in 1896 before the Dawes Commission for enrollment with the five civilized tribe, but I never received anything by reason of such application. Oscar Carroll is my nephew, Samuel Carroll's child. Oscar died about two weeks ago. I don't know the names of my father's parents, but I think his father's name was Williams Carroll. All the names of those read off to me that are grouped with me, claim their Indian blood back through the Carrolls, the same as I do. I don't think my father has any sisters or brothers living.
